

EBARA Established a New Company in Mexico

Sep 7, 2020 News

September 7, 2020

In May 2020, EBARA CORPORATION (EBARA) established Ebara Pumps Mexico, S.A. de C.V. (EPMX) that sells and provides service and support to standard pumps.

1. Overview

In accordance with the regional strategy for the global market in the medium-term management plan "E-Plan2022", EBARA aims at increasing sales in regions or countries, where the population growth and economical and industrial development will be anticipated. For the Standard Pumps Business, we will reinforce the Americas market by establishing EPMX.
